SAFETY, STRENGTH AND INNOVATION

THE BLGP STORY

Built on Trust. Since 1970.

What began in 1970 as a humble trading venture by **Banarasi Lal Ganesh Prasad**, has today grown into one of Varanasi's most trusted names in architectural utility systems.

For over five decades, our commitment has remained unchanged delivering *quality*, ensuring *safety*, and embracing *innovation*.

From invisible grills to shower cubicles, from glass railings to aluminium systems - every solution we offer is crafted with precision, installed with care, and built to last.

Our journey is built on the trust of our clients, the dedication of our team, and the belief that good design makes life better.
